# Wonder Fly

## SCENE 1

*Somewhere deep in the city.*

*RED WASP and WONDER FLY (ALEX) crash into the space.*

*WONDER FLY (ALEX) sticks RED WASP to the ground.  
RED WASP stings WONDER FLY (ALEX). Sound and sparks fly everywhere. The battle is beyond epic.*

*RED WASP overpowers WONDER FLY (ALEX).*

RED WASP                    Tell me where they are.

ALEX                         We don't have to be enemies.

RED WASP                    Tell me where they are.

ALEX                         There's still time.

RED WASP                    I'm done waiting.

ALEX                         Giving in to the waste is a mistake.

RED WASP                    Your silly resistance is dead.

ALEX                         What happens next?  
The waste takes over.  
The city disappears.  
The people go underground.  
And then what? You'll be alone.

*RED WASP threatens WONDER FLY with its sting.*

RED WASP                    Tell me where they are.

ALEX                    In the tip.  
                              In its core.

RED WASP                Finally, a little co-operation.

ALEX                    You're too late.  
                              The time for a new Fly has come.  
                              They're already on their way.

RED WASP                Enjoy your night Wonder Fly.  
                              This city doesn't have many of them left.

## SCENE 2

*Across town.*

*Out front of the tip.*

*PHILLIP enters wearing a WONDER FLY costume that is too big for him.*

*BRIDIE follows.*

BRIDIE                    It's dark.

PHILLIP                  I love the dark.

BRIDIE                    You hate the dark.

PHILLIP                  You don't know me.

BRIDIE                    That was a rat.

PHILLIP                  I don't give a stuff.

BRIDIE                    What if the rat bites your ankle?

PHILLIP                  Watch me care.

BRIDIE                    What if it runs up your pants?

PHILLIP            I hope it does.

BRIDIE            What if it —

PHILLIP            Shut up Bridie.

BRIDIE            Mum bought ice cream.

PHILLIP            No she didn't.

BRIDIE            Yes she did.

PHILLIP            Where?

BRIDIE            Not telling.  
Mum said I could give you some if you were good.

PHILLIP            Bull S.

BRIDIE            It's true.

PHILLIP            Don't care.

BRIDIE            Fine. I'll have it myself.

PHILLIP            Mum owes me a tub of Neapolitana for going a month  
without losing my sports uniform.

BRIDIE            It's pronounced Neapolitan.

PHILLIP            Nerd.

*Beat.*

BRIDIE            There's no one here.

PHILLIP            You didn't need to come.

BRIDIE            I wasn't letting you go alone.

PHILLIP            You get to do things on your own.

BRIDIE            I'm the eldest. I'm allowed.
