Past The Shallows

Written by Julian Larch

Harry and Miles live with their father, an abalone diver, on the wild and beautiful south coast of Tasmania. With their mum dead and their alcoholic father largely absent, they look after each other as best they can. Adapted by playwright Julian Larch from Favel Barrett's award-winning debut novel, *Past The Shallows* is an ode to brotherhood and a heart-wrenching, lyrical exploration of mortality, family secrets and the capacity for both brutality and tenderness within contemporary masculinity.
